

ABOUT THE BOOK

Whatever God delivers, He delivers on the wings of His words. He sent His words and delivers them from all their destructions. Nothing destroys or consumes a man like sickness. God doesn't want His children to fall sick, but when it happens, He provides a way of escape, which is divine healing.

Healing Mantle is a quick dose and emergency treatment for anyone who desires healing in any part of their body. This book is filled with knowledge and power for instant healing. The audio version has been in circulation for years, and several people have received their healing to the glory of God. The author takes the reader from the stage of diagnosis to treatment; from the examination bed to victory, from admission to discharge, from sickness to health, from the sickbed to recovery, and from pain to joy.

Your healing and deliverance are assured from the very first page. Follow all the instructions and apply the procedures for your wholeness. I await your testimony. May the communion of the Holy Spirit be with you.

ABOUT THE AUTHOR

Ife Adetona is an anointed preacher of the gospel. He is the President of Sons and Daughters of Zion [SADOZ] Worldwide. SADOZ is an interdenominational and discipleship ministry which has seen thousands of people baptized in the Holy Ghost with the evidence of speaking in tongues and has helped people develop a friend to friend relationship with the Person of the Holy Spirit. SADOZ's daily discipleship and devotional manual called Daily Communion reaches

and blesses tens of thousands of people daily to the glory of God.

Ife Adetona is also the president of the Koinonia Bible Institute [KBI], an online training academy of SADOZ which offers various courses/schools: School of Ministry, School of Purpose, School of Leadership, School of Business, School of Prayer, School of Deliverance, School of Healing, Masterclass on Sex Education, Masterclass on Courtship and more.

He is the husband of Elizabeth Ife-Adetona and their home is blessed with godly seeds.

- Index

FOREWORD

Today, many people, including Christians, fall sick believing that God made them sick. Some even believe that God is trying to teach them a lesson by making them sick or that it is the will of God for them to be sick. But the truth is that God cannot make you sick. Sickness and pain came from the devil, who was in authority on earth before Christ came. Adam and Eve delivered the authority God gave them into the hands of the devil and since then, the devil has been afflicting the world with sickness and pain.

God, in His mercy, gave His only Son -Jesus Christ- to redeem the world from the devil. Jesus came over 2,000 years ago and He died to redeem man. He went down to the grave to retrieve the authority which was handed over to the devil, and He delivered the authority back to man so that anyone who gives his life to Christ would have authority over the devil and his afflictions.

Since a believer is no longer under the authority of the devil, he is no longer supposed to fall sick because Jesus already took away the past, present and future sins and sicknesses of the world. He won't go back to the cross because of person's sin or sickness.

God has made a provision of divine healing peradventure man falls sick. And this healing can be accessed through the word of God by faith. The word is health to our flesh. There is power in the word to heal. Healing can also be accessed through a mantle. A mantle is any material that has come in contact with a minister of God. A mantle contains the anointing to heal the sick. As you read this book and meditate upon the scriptures, power is present to heal you in Jesus Name. Amen.

Akano Esther .O

Co-Editor

Let us Pray

Daddy, I thank you for the unction upon me and upon your word. I thank you for anointing me to heal the sick. I thank you for bringing this person into contact with this book.

I pray that as this person opens the pages of this book, your word will go forth with power, it will go forth as the order of the King, it will go forth in majesty in Jesus Name.

As this person reads from this moment, the words will work healings, it will work miraculous healings, it will work signs to this very life and to the body in Jesus Name.

It shall be your work of liberation. Your power rest on this heart and prepare it for your glory and healing in Jesus Name.

Beginning

“... for I am the LORD that healeth thee” Exodus 15:26

I see it as a rare privilege to bring to you the Healing Mantle. The Lord gave me the mandate to bring healing to every sick person. This book is mainly for those who are sick and want to be healed instantly. And I am convinced that everybody that comes in contact with this powerful word by the Spirit of the Lord will be made whole. If you are one of those people, I say congratulations to you.

I want you to understand that the primary purpose of this book is to set you free from that sickness. God brought it your way, and He is your healer. He brought this word to you that He may perform the work of healings in your body. Doctor Jesus is right here with you and He will give you a permanent recovery, a perfect health as His word goes forth to you in Jesus name.

I am glad to inform you that whatever sicknesses that might have been in you are not as powerful as this word. They are not too much for this word. In fact, they begin to leave your body right now in the name of Jesus. They begin to wither away in Jesus Name. I've seen God at work at several places and at different times while the word is going on, both in the Bible and in my lifetime. I've been in services; healing services where as I was speaking the word, people were healed and several testimonies followed. I have seen several illnesses disappear at those times and your own will not be an exemption.

Healing Mantle is a household name in our ministry. The audio version has been in circulation for about two years before I put it down as a

book. Through the audio version, several people and families have been healed and you are the next in line.

Healing Mantle is not a book you read once in a lifetime. It is a book you should keep reading till that sickness leaves and you get up from the sick bed. It is a book you should keep reading even when you aren't sick for you to keep drawing strength for divine health from God. Do well to send your testimonies across to us because you will surely testify.

He Sent His Word...

He sent his word and healed them and delivered them from their destructions. Psalms 107:20.

An event that happened in one of our healing services remains in my mind. I was speaking to a crop of students and told them that before I finish teaching the word, they will have their healings. The Bible says that: "He sent His word and healed them". Healings are released on the wings of the word. When it was time for testimony, a lady who was sitting right in the first row said she had not seen her menstrual flow for a long time, but as the word came forth, the flow came! It was then I realized that the reason why the seats were disorganized while I was preaching was to shield the sister.

If You Are Sick...

Do you know what is going on in the spiritual realm? Do you know all the factors and powers at play? What is the spiritual implication? What are the facts you need to take note of?

What you call a little illness is a complex conspiracy against your health. In case all you have is what you call “*a slight headache*”, I am happy to inform you that the person God is using to bring this word to you has been enjoying the sound health of God for many years. The last time God healed me was many years ago and after that time, I have never fallen sick at any point in time. I have not broken down in six years! So, I am glad to bring the same word that has liberated me to you; the same word that set me free from the sick bed; the same word that released me from pain; the same word that released me from ill health; the same word that delivered me from an annual malaria typhoid that was graduating to two times a year. I’m glad to bring that same word that has liberated several people to you and I know it is going to turn your life around in Jesus name.

One of our members who has been liberated from the web of sickness met a friend on campus. The boy used to fall sick every month and to him, not to fall sick in a month was strange while to our member, it was a strange thing to fall sick. He introduced him to Healing Mantle and, for the first time in many years, the boy came back with joy. He was amazed that a month could go by without him falling sick. I pray for you, the last sickness you had would be the last you will ever have.

If you are sick, what is going on? What are the things you should take note of? What are the things that people erroneously imbibe when they fall sick that make the sickness defeat them?

Many have blamed God, many have cursed God, and many have discontinued their service to God just because their close relative or close friend died as a result of an illness. They often ask what God was looking

at while it happened? I tell you, God cannot do beyond your knowledge. God cannot do beyond what you have permitted Him to do, and that is why I want to congratulate you once again for coming across this book. It is the word of healing, it is the healing mantle and it will surely go forth and perform what it has been assigned in your life in Jesus name.

Not God's Will

And this is the confidence that we have in him, that, if we ask any thing ACCORDING TO HIS WILL, he heareth us. And if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him. 1 John 5:14-15

If you are sick, the first thing you should take note of is that it is not God's will for you to be sick. This is the point where several people missed it. Sickness is never in the will of God for you. When many people are sick, they pray like this: "*God, if it is your will, heal me.*" That means they lack the proper understanding of God. They don't understand the role of God in their health. It is never in His will for you to be sick! Never should you imbibe "*if it is the will of God.*" When you pray that way, you deny yourself access to healing. When you say, if it is the will of God, what you are also saying is that if it is not the will of God, He shouldn't heal you. That makes it easy for Satan to bring the negative part to pass in your life.

Pray According to His Will

The Scripture asks us to pray according to the will of God. He didn't ask us to say "*IF IT IS YOUR WILL*". Praying that way is laziness mixed with ignorance, which will result in a failed prayer. We are expected to discover His will and pray accordingly. So, let me ask you this: is that

sickness the will of God for your life? Is that infirmity the will of God for your life? The devil may cite examples of men who agree that their condition is God's will, but I am asking you, do you accept that condition as God's will for you or do you wish to get whole and glorify God in your wholeness? If you can get it right at this point, your healing cannot be hindered anymore!

At our online healing school, a large percentage of our students get healed right from the first two lectures. Those lectures are all about a change of orientation, a complete change of mind, and that is enough for many. **Nothing keeps a man in bondage more than his mentality because your mentality is your reality.** There was a young girl who was always having a serious headache. She was only two weeks into the healing school and she was healed. Immediately she had a change of mind, a change of health followed. I am telling you clearly and plainly that, that sickness is not the will of God for you.

God is not Trying to Teach You a Lesson

Or what man is there of you, whom if his son ask bread, will he give him a stone? Or if he ask a fish, will he give him a serpent? If ye then, being evil, know how to give good gifts unto your children, how much more shall your father which is in heaven give good things to them that ask him? Matthew 7:9-11

Have you been traumatized? Have you been on the death bed? Have you spent money on your health and you believe that God is trying to teach you a lesson with the illness? Dear reader, God is not trying to teach you any lesson. This is another mistake people make. They say, “*Maybe God is using it to teach me a lesson*”, No! God does not make you sick, and He

is not trying to teach you any lesson. No good Father wants to teach His own child lessons by making Him sick and, in fact, no good Father will train His child with sickness. The Bible says *if you, being evil, know how to give good gifts unto your children, how much more shall your father which is in heaven give good things to them that ask him?*

If you cannot put your child's hand into the fire to teach him a lesson, how can you claim that God put you on the sick bed or in that condition to teach you a lesson? How will a sickness that is killing you and taking away your joy and happiness teach you a lesson? How will paralysis be there to teach you a lesson? Many people that feel that God was teaching them a lesson never came out of the sickness and so, where is the lesson? You are going to come out of that sickness. You are coming out right now!

Surely, if a person is sick, he will learn one or two lessons, just as a child who puts his hand into fire will learn never to play with fire. But a father will never put his child's hand into fire to teach him and it is the same with God, your Father.

Don't allow devil to tell you lies or take you for a ride. If you agree that it is the will of God for you to be sick, then you are not allowed to leave that *will of God*, but if you believe that it is not the will of God then, you will have your deliverance. It is funny how people usually claim that their sickness is the will of God or that God is teaching them some lessons, yet they will visit hospitals and take medications. I believe you know that the condition is not God's will for you and that's why you are reading this book. You want to be free; you want to come out of it! If that's the case, congratulations! Welcome to Zion.

Devil is Evil

How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him. Acts 10:38

God is not evil. Anything that is painful is evil and evil is from the devil. I always say it to people that **anything that is painful, including menstrual pain, is evil**. Anything that is painful is evil, including menstrual pain, and by that word, God has delivered so many sisters who were battling with severe menstrual pain. My wife said that she had been having menstrual pain from the first time she had her monthly flow, but by the word, it vanished! If menstrual pain is evil, believe me, every other painful situation is evil. Headache is evil, bone pain is evil, trauma is evil, depression is evil, fibroid is evil, cancer is evil. **Whatever is painful is evil, and it is from the devil**. Call out the name of that sickness or condition. Say, it is evil! Have you observed that the last words in the name “*devil*” is evil? The devil is evil!

Jesus went about doing good and not evil. When Jesus was to heal on the Sabbath day, the Pharisees were there to oppose Him because the law forbids working on that day. He asked them if it was right to do good on the Sabbath day. They could not answer and He went ahead to heal the man!

God is Good

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly. John 10:10

God is a good God and not an evil God. Add another “o” to the word “God”, what do you have? Remove “D” from the word “devil”, what do you have? Stop associating God with sickness and every other evil.

John 10:10 says that *the thief cometh not but to steal, to kill and to destroy*. Nothing destroys like sickness. In the case of Job, when the devil was tried to make Job blaspheme God, he killed all his children and took away all his properties, yet Job glorified God and devil said that there is one thing that works better and faster. He said that “what a man cannot bear is sickness”. He said “skin for skin”- Job 2:4. So, nothing destroys quickly like sickness. Whenever you see sickness, just know that the devil is at work. Jesus and the devil are on opposite sides. If God is good, then the devil is evil. Jesus says, even though the devil comes to destroy with sickness but “*I am come that you may have life and that you may have it more abundantly*”.

Abundant life is a life that is sound, a life that is free of illness, a life that is free of diseases, a life that is free of pain and that is the will of God for you.

“God Made Me Sick”

Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth. 3John2

Another mistake people make is that they believe God made them sick to punish them for a sin they committed. Unfortunately, many ignorant prophets and fake prophets deceive people with this. I am telling you that God does not make a man sick. God does not correct with sickness.

I agree that there are punishments for sins, I agree that when a man sins, there are ways he get punished but you don't give your child HIV, you don't give your child typhoid, you don't give your child cancer to correct him, No!

I know that the consequence of sin is in the sin itself. For instance, if you lied and were caught, the consequence is that you may get beaten or lose your integrity. You may even be beaten, and that would lead to pain. When a man fornicates and contracts STD as a result, that is the consequences of sin in the sin itself. But it is not God bringing that punishment on you. In fact, it is the joy and the delight of God your Father to bring you out of that sickness which the devil inflicted on you as a result of your sin. Only a wicked father ignores his sick child, even if that sickness was because of his disobedience. Don't let the devil keep you bound in yesterday's sin.

The Bible says Christ was made sick, Christ was battered, slaughtered and shattered that you may not experience it at all. God is far nicer than your earthly father; God is better than your earthly father. His will is to pull you out of that condition. *If ye then, being evil, know how to give good gifts unto your children, how much more shall your father which is in heaven give good things to them that ask him?*

Are You Nicer Than God?

Let me ask you, are you nicer than God? Would you have a child sick, wailing, crying and dying in pain and you will sit with your legs crossed and say: "Yes, I'm teaching you a lesson, I'm teaching you how to bear pains or I'm punishing you for your offence", would you do that?

If you have the power to heal that child, wouldn't you do it? There are many parents who will even weep as they watch their children pass through pains. If you, as a mortal man, wouldn't watch your child go through that, how much more your good Father who is in heaven? You can be rest assured that God is nicer than you and He doesn't in any way want you in that state. *Or what man is there of you, whom if his son asks bread, will he give him a stone? Or if he ask a fish, will he give him a serpent? If ye then, being evil, know how to give good gifts unto your children, how much more shall your father which is in heaven give good things to them that ask him?*

For God's Glory

And as Jesus passed by, he saw a man which was blind from his birth. And his disciples asked him, saying, Master, who did sin, this man, or his parents, that he was born blind? Jesus answered, Neither hath this man sinned, nor his parents: but that the works of God should be made manifest in him. I must work the works of him that sent me, while it is day: the night cometh, when no man can work. As long as I am in the world, I am the light of the world. John 9:1-5.

Another point where people err in the concept of healing is when they claim that their sickness is to bring glory to God. In the story of that blind man, you should understand that it was not the man's blindness that brought glory to God or manifest the power of God. The power of God was only manifested in His healing. All this while when he was blind, it was the evil of the devil that we saw, but at the point of his

healing, the power of God showed forth. I pray that the power of God will show forth in your life this moment in Jesus Name.

In verse 4, Jesus said He must work the work of His Father. What is the work? Did I hear you say, healing? You're right. The work of the Father is healing! *"For this purpose the Son of God was manifested, that he might destroy the works of the devil"*- 1 John 3:8.

What brings glory to God, your sickness or healing? Of course, it is your healing that brings glory to God. Someone might say that "if I was never sick, how will I get healed and how will God be glorified". The truth is that God's thought towards you are of good and not of evil, they are of health and not of sickness. When I said at the beginning of this book that I have not fallen sick or needed to recover from any state of sickness in years, were you not happy for me? Didn't you glorify God in my life? God is more glorified if you were never sick and when you are sick He is only glorified in your healing. *Beloved, I wish above all things that thou mayest prosper and be in **health**, even as thy soul prospereth*- 3 John 1:2

Do you want the work of God to be made manifest in your life? Do you want the work of healing to be made manifest in your life? Then you have it in Jesus name!

The Light of the World

As long as I am in the world, I am the light of the world.

In addition, Jesus while on earth said that: "as long as I am in the world, I am the light of the world". The question is, is Jesus still in the world till

date? In a sense, Jesus has ascended into heaven, but in a fuller sense and in a fuller way, He is still in the world. He is in the world through men of God and through the believers, but most importantly, He is in the world through His word. His word is lively. He is the light of your life. He is the light of healing to the darkness of sickness in your life. Your healings have already begun! Can you see it? Are you experiencing it? Glory to God.

He is in the world through me and He wants to work the work of healings on you. That was why He laid it upon my heart to make this book (a product of the revelation) available to you. He has led me to make it available to you so that the work of God might be made manifest in your life to His glory. Hallelujah.

Who Made You Sick?

How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with Him. Acts 10:38

Satan made you sick. It was the devil that made you sick. **Although you are a child of God but one way or the other, the devil is responsible for your sickness.** There is no point arguing it. The moment Lucifer is taken away from this world, people will not fall sick again. So, tell me, who's the root cause of all sicknesses on earth?

The passage above clarifies that everybody Jesus healed had one thing in common; they were all under the oppression of the devil. Each and every individual that came to Jesus for healing, all of them, the Bible says that

they were oppressed by the devil. None of them was oppressed of God. If they were oppressed of God, He will not need to heal them but the Bible says that all the people Jesus healed and those He will continue to heal are all oppressed of the devil.

So, who is oppressing you? The devil. Don't be ashamed to admit the fact that it is the wicked devil that has placed you on that drip, that has placed you on that dose and that has placed you inside that surgical room. It is the work of the devil in you, and you know what? *"The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly"*. John 10:10.

Though the devil was working on your life, but right now Jesus has appeared on the scene, are you glad? Are you glad to realize that Jesus Christ has appeared on the scene that you may have life and that, that dead organ, that decaying part of you, may receive life? It is receiving life right now in Jesus Name. That dead and weak part of your body is receiving abundant life! Stop thinking that you will not be able to use that hand again, stop think that your leg will not function well anymore, it will function more abundantly. I tell you once again; as these words are going forth, healings are happening, just put your mind in it. Healings are happening! Healings are happening!

I've preached these messages in several places and there have been several testimonies, diverse testimonies, people with unexplainable pains, people with movement in the part of their body, people with organ deficiency, they received life and you are receiving yours as well. Check your body, check it right now, you are whole! The Lord has guaranteed

me of your healing. Most especially when you see me mention your case. That means the Lord is particular about you, you can jump up while reading this book, you can lift your hand and you can lift your leg. Hallelujah.

I saw somebody right now. You have issues with your breath. I can see an enlarged heart or something like that. I command healings to you right now in the name of Jesus. I see you are about to undergo a surgery. I send the word of the Lord ahead; His word heals you in the name of Jesus. You have an eye problem; your organs receive life in the name of Jesus. Stop thinking that you won't be able to see with those eyes anymore, you will see with it more abundantly. That body part that has stopped functioning a long while, start functioning now!

What about you- your voice is gone, you can't talk. Receive the breath of God in the name of Jesus. Your speech is coming up again in Jesus Name. The hand of the Lord is performing healing.

Lord, we give you praise, we give you glory for this wondrous things you are doing in the lives of people, for your word will not go without fulfilling its purpose. You said signs and wonders were accompanying the apostles to confirm the word they were saying as the word from God. Lord, thank you, I see a death case, don't give up on your dead, this word of God can raise the dead. If an image on the phone that contains my picture and some prophetic words which is "SADOZ monthly prophetic mantle" was placed on a dead and a person who has been dead for three hours rose up, how much more when you speak these words to a dead. I see a casket being opened. That case that the doctor has abandoned is getting attention right now. If somebody that was rejected from the hospital can

get her healing through a sticker; SADOZ yearly sticker; how much more when you are receive these words with faith.

The voice of the Lord is coming to you right now. A lady was diagnosed of appendicitis; she laid the mantle on herself and returned the following day to the doctor for another test. The doctor said “what is wrong? I can’t see anything again, I can’t see it anymore. How?” That was the Healer at work. Today, the same Healer has particularly chosen you out to heal you. The Lord has spoken to raise your dead, your dead is rising up again in Jesus name.

Satan Made You Sick

And it came to pass on a certain day, as he was teaching, that there were Pharisees and doctors of the law sitting by, which were come out of every town of Galilee, and Judaea, and Jerusalem: and the power of the Lord was present to heal them. Luke 15:17

No matter how worse your case might be, don’t ask God for a little improvement. You should ask God for a much better improvement than it was originally. You have two legs and one leg is bad, ask for an healing on that left leg that will be much better than even the right leg. That woman was bound. She was bound in two. Let me use the word folded. She was folded into two by the spirit of infirmity. Every spirit of infirmity, spirit of sickness, spirit of blindness, spirit of illness, spirit of hospital in your life, I command it out in the name of Jesus, rise from that death bed right now, arise from that death bed right now! You are whole in Jesus name. That the glory of God might be made manifest in you, you are whole. God wants you up; God wants you up and doing. God wants

you bouncing, God wants you walking, God wants you running, God wants you screaming, God wants you back at your place of work and God wants you to attend to your children! Arise and walk in Jesus name.

When I said the spirit of hospital, it was not a mistake. I perceived that spirit at work in someone's life. You are leaving that hospital right now! I command those spirits that bind you to that hospital bed to get off! That spirit that always draws you back to the hospital, get off you right now! The spirit of drip, the spirit of medications, the spirit of drugs, leave that life in Jesus name!

You just gave birth to your child and you have a serious complication. The Lord asked me to tell you that He has remembered you and you are healed right now in Jesus name. The Lord wants you to carry your child. You've been barren for years as a man or as a lady, I tell you, your day of liberation has come, receive liberation! Your womb and reproductive organs receive life in the name of Jesus.

God wants you up, God wants you bouncing, God wants you shouting, God wants you screaming. Hallelujah! The words I am speaking to you are not pre-meditated; they are given by the healing unction being released upon me. *"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth"*- 3 John 1:2

Healing is a Done Deal

Bless the LORD, O my soul: and all that is within me, bless his holy name. Bless the LORD, O my soul, and forget not all his benefits:

Who forgiveth all thine iniquities; who healeth all thy diseases.
Psalms 103:1-3

I want to bring an important word to you at this moment. Be attentive. Healing is a done deal. You don't ask for it. God will not heal you today, God will not heal you tomorrow, He has healed you. Healing, as far as God is concerned, is a settled case. It is like granting you a scholarship where your school fees from the first year till the final year have been paid, it is a done deal. You don't go about looking for school fees. The same way, healing is a done deal. I am taking time to emphasize this point as I trust the Spirit of the Lord to give you understanding. Once you get it at this point, you have understood the concept of healing and there is no more reason for you not be healed.

Several people tell God: "God please heal me" and you know what? Unfortunately, they died with that sickness, while some recovered after bearing a lot of pains. It is very wrong to ask God to heal you, because it is not a prayer point. He has already healed you. He healed you on the cross.

Let me give you an instance. If you commit a sin right now and you say: "Lord Jesus, I receive your forgiveness". Will Jesus go back to the cross and say, John just lied, let me die for his latest sin? Will He say Teju just committed fornication, let me go and die for her? Will He say Gbenga just stole, let me go and die for him? No! He has died for you over two thousand years ago on the cross of Calvary and that work He did is permanent and remains potent till He comes. On that same cross, He healed you and took away all your sicknesses. I love the way the psalmist put it: *Bless the LORD, O my soul: and all that is within me, bless his holy*

name. Bless the LORD, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases.

All Means All

...who healeth all thy diseases. Psalms 103:3

My dear, all means all. He has healed all. He has healed all your illnesses. He did that more than 2,000 years ago. So, when several people pray and scream asking God: “God, won’t you heal me, God come and heal me”. Jesus is standing and saying “but I have healed you”. How painful is it for Jesus to see His people suffer in ignorance. Paying a lot of money to doctors for what He had fully paid for. *“My people are destroyed for lack of knowledge” (Hosea 4:6).*

I’m so sure that there will be more discoveries of sicknesses and we have so many already. Doctors discover many of them on a daily basis. In year 2020, what is known as a novel Coronavirus took over the world scene. Novel means new. There are a lot of them being discovered year in year out and it is killing and afflicting a lot of people, but I am doubly sure that none of these things can affect me and my household. You know why? He healed all, all my illnesses, the one I might have had at birth, the one I might have had as I grew and the one I can never have in the future- He has taken away all of them! I am as sure of it as I am sure of the back of my hand. I cannot have them! The existing ones and the ones to come, Jesus has healed them all. I am immunized! My home has been immunized! People come to my house to get healing; they don’t come there to get sick! The covering is thick and real.

Three Witnesses

Your healing was a settled case. Even the old prophet recorded it. Read it carefully:

But [in fact] He has borne our griefs, And He has carried our sorrows and pains; Yet we [ignorantly] assumed that He was stricken, Struck down by God and degraded and humiliated [by Him]. But He was wounded for our transgressions, He was crushed for our wickedness [our sin, our injustice, our wrongdoing]; The punishment [required] for our well-being fell on Him, And by His stripes (wounds) we are healed. Isaiah 53:4-5 Amplified.

He didn't say that we will be made whole, we were made whole. You see, if the punishment of your sin is typhoid, God has placed that typhoid on Jesus. God is too righteous to punish a sin twice. He has punished Jesus for it, He can no longer punish you for it. By that wound Christ sustained, we were healed and made whole. Let me give you the second witness as borne by Matthew, because in the face of two to three witnesses shall every truth be established.

That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bare our sicknesses. Matthew 8:17.

The first witness was before Jesus' birth, the second was while Jesus was on earth, and the third witness was after Jesus Christ had died and rose.

He personally carried our sins in His body on the cross [willingly offering Himself on it, as on an altar of sacrifice], so that we might die to sin [becoming immune from the penalty and power of sin] and live for righteousness; for by His wounds you [who believe] have been healed. 1 Peter 2:24.

Note the phrase: *you have been healed*. Is that a future tense? Is that a present tense? Is that a past tense? It is a past perfect tense. It means it has been perfected and still effective. Your healings have been perfected and still in effect. It means that you ought not to fall sick at all, but if you are sick, you should be healed. It is an answer, not a question. It is a decision, not a deliberation; it is a settled case, not a prayer point. It your RIGHT not a favour. *“But he answered and said, It is not meet to take the children’s bread (healing), and to cast it to dogs”.* Matthew 15:26

Mind Your Language

It is very important that when you are praying or talk about healing, you should not say: *“I will be healed”*. That’s wrong and counter-productive. You should say: *I have been healed*. The more you say: *I will be healed*, the higher the possibility of you never getting. If you have a child and you already put a plate of food before him but he keeps asking for his food, he may never get it.

God is a righteous God and the devil, the accuser stands before God day and night telling God that He must judge righteously, telling Him that He must judge well. Even Abraham and Moses challenged God to act righteously, though they did that positively, but the devil does his own negatively. *“Shall not the Judge of all the earth do right?”* Genesis 18:25.

The devil is saying to God: “You have healed him already”, “You also gave him the Scriptures to read”, “You have given him the knowledge”, “he has grown in You”, “he is a believer”, he ought to know all that”. “But since he is still ignorant and asking You to heal him, You can’t heal him because you are a just God, you cannot judge unrighteously.” And so, because God is not partial, the devil will win that case and you remain in that sick bed unless mercy speaks. Unfortunately, many people have died as a result, but your own case will not be like that because *the light shines in darkness and darkness comprehend it not*.

Light means knowledge, while darkness means ignorance. Light means healing and darkness means ignorance. At this point in my teachings or ministrations, people get healed. As they are engrossed in the revelation and nodding in agreement, they would check their body or suddenly jump up and find themselves healed! I can see that you are also getting healed. You are excited because you are not looking for healing any longer, you already have it. It has been done. Hallelujah. Send your testimony across.

Accessing Healing

But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him. Hebrews 11:6.

How can you continually access healing and how can you access healings in your body right now? How can you get healing in fullness in your body right now? Let me tell you that all the promises of God, the complete package of salvation and all the done deal of Christ on the

cross are delivered to us on the wings of His words. They are delivered on the wings of His words. That is why I have quoted numerous scriptures in this book. They are called the *healing scriptures*. I have quoted some and I'm still going to quote more.

The Bible says without faith, it is impossible to get anything from God. **It is impossible to get healing from God when you lack the faith it takes to obtain it.** So, if faith is all it takes, then you should ask, how can I have faith?

So then faith cometh by hearing, and hearing by the word of God.
Romans 10:17.

The kind of faith that will give you healing comes by hearing the word of God, so let's see how relevant that is. **Acts 14:9-10.**

The same heard Paul speak: who steadfastly beholding him, and perceiving that he had faith to be healed, Said with a loud voice, Stand upright on thy feet. And he leaped and walked.

I can also perceive that someone has faith to be healed right now. I'm also saying with a loud voice; stand up right now, on thy feet in Jesus name.

He sent his word, and healed them, and delivered them from their destructions. Psalms 107:20

That sickness was killing you, wasn't it? That's destruction. He says he sent His word and healed them. Did you receive the word He sent? Did you receive Jesus Christ, who went to the cross and died for all your sins

and sicknesses? Did you receive him? Then you are delivered from that sickness right now, you are healed in the name of Jesus.

And it came to pass on a certain day, as he was teaching, that there were Pharisees and doctors of the law sitting by, which were come out of every town of Galilee, and Judaea, and Jerusalem: and the power of the Lord was present to heal them. Luke 5:17

As you read this word, power is present already to bring that healing unto you, receive it and rise up in the name of Jesus. You are made whole today.

My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine heart. For they are life unto those that find them, and health to all their flesh. Proverbs 4:20-22

I beseech you to read this book repeatedly because the Bible says; *faith comes by hearing and hearing the word of God*. I want you to read it over and over again. If you have a sick person in the hospital or in a terrible situation, you can play the audio version of this book to the person. The audio version is available on our website and on our Telegram channel (t.me/sadozite). Play it to the person and put it on auto-repeat for the person to keep listening to it. As that is done, faith will well up in the person and healing would be delivered.

Meditation

My son, attend to my words; incline thine ear unto my sayings. Let them not depart from thine eyes; keep them in the midst of thine

heart. For they are life unto those that find them, and health to all their flesh. Proverbs 4:20-22.

When I started learning about divine healing, I did a lot of meditation in the Scriptures. **It is meditation that makes the word get hidden within your flesh and become health to you.** There are times I would wake up in the middle of the night doing nothing but repeating those scriptures until it got into me. Faith cometh by hearing and hearing and hearing repeatedly. Today, if you cut my flesh, what will come out is not blood but healing scriptures that I have digested and absorbed. You don't need to be sick to read this book repeatedly and meditate on the words.

His word is health to all your flesh. It is health to you indeed in Jesus Name. **My son, attend to my words; incline thine ear unto my "words" For they are life unto those that find them, and health to all their flesh.**

An Encounter with God

I remember when we were about to start the Healing School. I was seeking the face of God. I knew I heard Him clearly long before that time and I was ready to obey, but I had an encounter with Him and asked Him about it. He said that healing was the primary ministry of Jesus Christ and that He wants us to continue in that business. That was when I understood the reason the Apostle summarized the ministry of Jesus this way: "He went about doing good, healing all that were oppressed of the devil for God was with Him" Acts 10:38. Jesus has handed that key over to us and to me in particular to bring healing to

you. He has sent me to continue that good work in your life. So, I speak as the one that was sent; receive your healing in Jesus Name.

Commanded to Heal

And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give. Matthew 10:1&8.

I was ministering at one of our satellite chapters some months back. I was there for three days because it was a conference. And they took good care of me. On the last day, I was moved in the spirit to read that portion of the scriptures to them. I told them that Jesus said when I get to any house, I should eat their food, drink the water and, in return, I should preach the word, heal the sick, cleanse the lepers, raise the dead and cast out devils. Then healing began to take place, I began to cast out devils and God was attested to His word with signs following. The same is happening in your life right now in Jesus name.

Close Case and Remote Case

I have told you earlier that the devil is at the root of all sicknesses. You may say that malaria comes from stress, but indirectly, it comes from the devil. If the devil is not in this world, you wouldn't have that malaria. But the point I want to bring to your attention at this time is that there are cases where the devil is not only indirectly involved, but he is directly involved. Some evil spirits are present to ensure that the body or soul

remain under an oppression. In the School of Healing, we call this a *close case*. A *remote case* is when no evil spirit is directly involved.

For Example

It has become a recurring sickness. It could also be that the sickness has defied all forms of medications. It could be a situation of cancer or fibroid that when one is removed through surgery, another grows out. Every healing evangelist knows that cancer is demonic.

In remote cases, a demon can affect the body and leave while the affected part is treated. It could also be an indirect involvement of the devil, like in the case of stress resulting in malaria. In such a case, the malaria can be treated as well but in close cases, unless the demon or demons that are directly involved are cast out, there won't be a permanent healing. You realize that in some of Jesus' healing, He addressed the demons directly and, in some cases, He just healed. In the case of Peter's mother-in-law, Jesus addressed the spirit of fever. It was not just an ordinary fever, but the Bible calls it a great fever. He rebuked the fever as though he was speaking to a being. *And he stood over her, and rebuked the fever; and it left her: and immediately she arose and ministered unto them.* Luke 4:39.

If you think that your case is a close case, do not be threatened or afraid. It is a very simple issue because demons are the weakest of all beings on earth. We have a Name and we have an authority! In my ministrations, I specifically tell people to laugh if they know that their case is a direct work of the evil ones. Remote cases are the easiest for doctors, while close cases are very difficult for them, but they are easiest for healing ministers and every knowledgeable child of God.

Let's Cast Out Those Cheap Demons

And, behold, there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, he called her to him, and said unto her, Woman, thou art loosed from thine infirmity.

Luke 13:11-12

Jesus said unto him, If thou canst believe, all things are possible to him that believeth. And straightway the father of the child cried out, and said with tears, Lord, I believe; help thou mine unbelief. When Jesus saw that the people came running together, he rebuked the foul spirit, saying unto him, Thou dumb and deaf spirit, I charge thee, come out of him, and enter no more into him. And the spirit cried, and rent him sore, and came out of him: and he was as one dead; insomuch that many said, He is dead. But Jesus took him by the hand, and lifted him up; and he arose.

Mark 9:23-27

Through these passages, the Lord is attending to you right now. Is there any spirit tormenting you? Spirit of infirmity, spirit of sickness, spirit of cancer, spirit of fibroid, any spirit whatsoever, I curse it in the name of Jesus. I rebuke that spirit in Jesus name. I cast them out in Jesus name. Do you have anyone that is out of their mind as a result of a mental issue? Read this portion to them. Every spirit of mental illness, every spirit of madness, you are leaving. I rebuke you in Jesus name; take your leave in the name of Jesus.

Take Note of Verse 26

And the spirit cried, and rent him sore, and came out of him: and he was as one dead; insomuch that many said, He is dead.

After casting out that spirit, you may see some signs in your body that may look as if the situation is getting worse, just as it were in the case of that boy. It was like jumping from frying pan to fire, from sickness to death. It is the trick of the devil to deceive you. This is what happens in the spiritual realm: evil spirits like to depart violently and that is why the situation sometimes becomes worse after you observe serious prayers and fasting. When things happen that way, we often lose our faith and we confess that the sickness is back, or it has gotten bad. Immediately we make that confession, the evil spirit that has departed will go to bring seven stronger demons and return to the body. Jesus said the situation of such a person would be worse than the first (Matthew 12:45).

At no point should you say that your situation has gotten bad. In the case of this boy, Jesus refused to accept defeat. He knew that if He allowed those people to keep saying “he is dead”, the boy would be dead for real. So, He went to the boy and pulled him up. The moment you said it is finished, or it is worse, it happens just as you say it. But the moment you say, devil I know you are departing, I know you are gone. I know I am whole and healed. You will even act on it. Act it right now! Jesus says you will have whatsoever you say (Mark 11:23). What did you say? Tell me, what are you saying? Repeat it for the host of darkness to hear. Don't say it within you, shout it! Receive it in Jesus Name. Check your body!

Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength. Acts 3:6-7

I lift you right now! Arise in Jesus name because whatever God does is forever. Whatever is from above is above all. You evil spirit tormenting that body, you are departing forever in Jesus name. Do not come back into him; do not come back into her. Hallelujah.

Time for Action

I want to give you two case studies of healing. This is the time for action. The Lord told me this specifically: “anytime you preach using this case study I will perform healing”. God told me that specifically, and God has been attesting to it with miraculous healings. He has cured asthma and all manner of diseases as a result of this case study. When I read this passage on crusade grounds, healings take place.

Case #1

And a woman having an issue of blood twelve years, which had spent all her living upon physicians, neither could be healed of any. Came behind him, and touched the border of his garment: and immediately her issue of blood stanchèd. And Jesus said, Who touched me? When all denied, Peter and they that were with him said, Master, the multitude throng thee and press thee, and sayest thou, Who touched me? And Jesus said, Somebody hath touched me: for I perceive that virtue is gone out of me. And when the woman saw that she was not hid, she came trembling, and falling

down before him, she declared unto him before all the people for what cause she had touched him, and how she was healed immediately. And he said unto her, Daughter, be of good comfort: thy faith hath made thee whole; go in peace. Luke 8:43-48.

The woman with the issue of blood came in faith. She has said in her mind, “if I may touch His garment I will be whole”. “If I may just touch the mantle.” We call it mantle. Any material that carries the power to heal is called mantle, just like this book you are reading right now. It doesn’t matter if it is just on your phone. We have had records of mantle testimonies because God still work wonders through the mantle. As this woman made up her mind to touch for her healing, she came behind Jesus. She touched His garment and Bible reports that IMMEDIATELY, her issue of blood, stopped. As soon as that happened, Jesus looked back and asked “who touched me”. Everybody denied, Peter said, “Master, there are several people who have not only been touching you but have been pressing and pushing you. There are several people who have been using their bodies to touch you. So, how can you ask for who touched you. Is there anyone here who is not touching you anyway?”

And Jesus said: “I am not talking about anybody or everybody; I am talking about one person who touched me particularly for healing ...*for I perceive virtue is gone out of Me*”. That is the healing virtue. “*I perceive healing virtue is gone out of Me*”. There are several people who may come in touch with this mantle, but it is only those who have the faith connections that will get their healings through it. It may take someone to read only once and another twice or more to get connected, but once you have it, you have it. Jesus looked back and told the woman, “*your*

faith has made you whole. If you are yet to develop faith while you are reading this book, I beseech you to pause it right now and pray to God to open your heart for faith, because it is unto you according to your faith. *Then touched he their eyes, saying, According to your faith be it unto you.* Matthew 9:29.

And as you get in touch with this mantle, healing virtue will be released, not from me, but from Jesus Christ. It is Jesus that feels the virtue going out, I don't feel anything because I am not the source; I am only the channel. Touch this book in faith or place it on wherever you need the healing. Claim your healing and as you do so, act it. You will see that you have been healed! The power is going into you for healing in the name of Jesus. The virtue is being released into you in Jesus name.

Mystery of the Mantle

I began to understand the mystery of the mantle during one of our services when God told me to pull off my suit jacket and pass it round. He said people should use it to touch whatever material they are holding in their hands. That evening, the Lord spoke to me loud and clear, He said "I will put my own anointing on that mantle not your own anointing" and I said, "God, I thought when a man of God passes his cloth to the people, it is that which you've given unto him that he is passing on to others". And God replied: "No, I will put my own anointing on that material through which I'm passing the healing anointing". My theology was shattered. I didn't argue further. I announced to everybody. I said: "God said He would put His anointing even though I don't fully understand what He meant but, He said he will put His anointing on it." It was after that time that God taught me that when Jesus healed the

woman with the issue of blood, He felt it, but men of God don't feel anything today. Despite the several testimonies of miraculous and diverse creative healings that people gave because of that night's encounter, I didn't feel anything. That means it is the anointing of Jesus Christ that was at work.

In the same vein, the anointing being released upon you right now is the anointing from Jesus Christ. It can heal you, it can cast out that evil spirit, it can bring an end to your years of shame, receive it in the name of Jesus.

This woman made up her mind. She took a step, she touched, and she shared her testimony and Jesus said to her: "you are whole." I will be glad to hear your testimonies as well. I want to declare unto you in the name of the Lord that you are whole. Wholeness is the blessing that comes after a testimony is shared.

Case #2

And on the morrow, when they were come from Bethany, he was hungry: And seeing a fig tree afar off having leaves, he came, if haply he might find any thing thereon: and when he came to it, he found nothing but leaves; for the time of figs was not yet. And Jesus answered and said unto it, No man eat fruit of thee hereafter for ever. And his disciples heard it. And in the morning, as they passed by, they saw the fig tree dried up from the roots. And Peter calling to remembrance saith unto him, Master, behold, the fig tree which thou cursedst is withered away. And Jesus answering saith unto them, Have faith in God. For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be

thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them. And when ye stand praying, forgive, if ye have ought against any: that your Father also which is in heaven may forgive you your trespasses. But if ye do not forgive, neither will your Father which is in heaven forgive your trespasses.

Mark 11:20-25

This story tells how Jesus cursed the fig tree, how Jesus taught His disciples and, by extension, every one of us about faith and how we can use faith to get all things from God. I know that your healing is a done deal from God. God will not just give you; He has already given you that healing, so nothing is stopping you from getting healed; no devil, no ignorance can hinder you anymore. Even right now, your bones are receiving strength in the name of Jesus.

As you read these words, you are being healed. Don't consider your body, but you take actions of faith. Jesus cursed that tree the previous day but nothing seem to have happened. The tree was still standing; the leaves were still green, but by the following day, the tree dried off. You might look at your body and say, since I have been reading this book, I have noticed no changes or changes are minor. The pain is still there and it is still swollen. I tell you it is gone already. If you can see it, you can have it. If you can believe it, you can have it. If you can take a step of faith, you can have it. The day Jesus spoke, the tree was clearly unmoved and unshaken but under 24 hours, it dried up from the root. The truth is, the

tree did not die the second day; it died from the first day. It died the moment Jesus spoke; they just did not see it. Do not consider how you feel, don't let the pain or bruise make you relent on your faith but consider the word that has been spoken unto you and take a corresponding action as though you are sure that you have been healed because indeed you have been healed. *And blessed is she that believed: for there shall be a performance of those things which were told her from the Lord.* Luke 1:45

Have Faith in God

And Jesus answering saith unto them, Have faith in God. Mark 11vs22.

You don't need to have faith in the person that is bringing this word to you. Have faith in God. The only faith you need to have in me is that I'm bringing this word to you from God.

Verse 23

For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.

You may speak to the mountain of sickness as Jesus said and it will not move, but you must believe that it has moved into the sea without a doubt in your heart. You have told cancer to go; you have told fibroid to go, but it seems it is not moving, it is not even shaking and there are no changes so far. The Bible says that you must really believe it will happen.

You must really believe it is going to happen and have no doubt in your heart.

Verse 24 NLT

I tell you, you can pray for any-thing, and if you be-lieve that you've received it, it will be yours.

This is where we are going. Take note that faith comes in the past tense. I believe I have RECEIVED it. I believe I HAVE BEEN whole. I believe I HAVE BEEN healed.

It is when you believe that the pain is no longer there that it will be yours.

You have to believe first. You don't believe that you will be healed; you believe that you have been healed. You don't believe that the pain will be gone; you believe that the pain is gone. You don't believe that the fibroid will disappear; you believe that the fibroid has disappeared. You don't believe that you will recover or that your parent will recover; you believe that they have recovered and until then will it be yours.

That is why you must not equate symptoms with diseases. You must not equate symptoms to mean God has not healed you or that God has not touched you.

My Experience

I am about to cite my experience. There was a time I was down with malaria typhoid. I knew it was malaria typhoid because I have treated it before and all the symptoms I had back when I first treated it were back.

I felt the pain; I felt the weakness; I had a high temperature. During that period, I was just learning and discovering the word of God on healing, so I promised myself that I would not take drugs. I decided not to take any medication. I declared my healing because I know it was mine already. I knew I have been healed. I knew it was a settled case.

On one of those days, I lay on the couch in the house and a couple who were ministers came in to check up on me. The wife felt my temperature and was alarmed. She said; “we will pray for you, but afterwards, you will take some drugs.” I said in my heart, “these faithless people want to disrupt my faith.” As they were praying, the Spirit of God ministered to me. He said; “do you believe in that prayer”. I reluctantly said “yes”, He said “if you believe in that prayer you will say a believing Amen”. So, I repented and started saying a resounding Amen to the prayers. I tell you, after they finished praying for me, I didn’t feel any difference, I didn’t feel any relief, I didn’t feel any sign that I have been healed or that I’ve been made whole. But the Spirit of the Lord spoke to me again. He said, “do you believe you have been healed?” I said “yes.” He said “if you believe you have been healed then you will not lie on his couch, you will act as someone who has really been healed.” At that point, I could not think of any other thing to do than to stand up. I stood up and as soon as I did that, my temperature went down! My temperature dropped drastically right on the spot. The wife who felt my temperature initially touched me again and said: “wow, his temperature has gone down. He does not need drugs anymore”. Hallelujah.

Remember that I only stood up at that time; I didn’t know what else to do. They asked me where I was going since it was already dark. I couldn’t

tell them that I was acting out my healing since I believed Jesus had healed me so, I said, I wanted to urinate. I went to the toilet and by the time I came in, the couple had left, but the devil played his tricks on me. I started shivering and at the same time, I lost my appetite. I went back to the couch while I thought of what more to do. I kept on proclaiming that “I have been healed” according to 1 Peter 2:24. Earlier, I already Google searched *Healing Scriptures* on my phone and I got 100 of such scriptures. I asked someone to read it to me while I claimed it. I wish there for an audio record for me to play but there was none. In fact, that was one of the reasons I made the audio Healing Mantle years later.

I collected my phone and read it on my own. I mastered some of those verses or phrases that I loved the most and repeatedly whispered it to myself. I kept on proclaiming them. Faith comes by hearing and hearing. At some point, I knew that I had to take another step of faith and so I asked those around me to prepare rice with beans for me. Though I had no appetite and was feeling nauseous but I knew I needed strength. I asked for glucose as well. Before the food arrived, I slept off, still declaring my healing.

By the time I woke up, I was no longer shivering, but I still had zero appetite even though the food was right beside me. But I approached the food in faith and as soon as I attempted to eat, my appetite returned. Hallelujah. I ate only a little. Then I went back declaring my healing and slept off again. I woke up not too long after that and ate a little then went back declaring and slept off. I woke up another later, did the same thing till the day break. I kept on with the faith exercise for the next seven days. I was fighting the good fight of faith and my health was improving

as the day went by till I fully recovered. And that was the last time I broke down or felt ill.

Step of Faith

I didn't feel anything when those couple prayed for me until I took a step of faith. I had no appetite but as soon as I approached that food, the appetite came. You don't have to consider your body, you don't have to consider your feelings, you shouldn't equate those symptoms to mean the sickness is still there. The tree had been cursed, the mountains have been shifted. It might not have a physical manifestation yet, but you have to take physical actions that correspond with the spiritual changes that have taken place.

Sickness is a spiritual matter, you know, and so, it should be treated spiritually. Remember the man at the beautiful gate; Peter had to lift him. His legs had been healed but he was still sitting without taking any step of faith until Peter took the step and pulled him up. I am also lifting you up right now. Lift that leg, lift that hand, stand up from that bed. You have been on the bed and your body is getting decayed, don't look at the decayed part, but act from the word. They said you will never walk again. Don't look at the strength you've lost in that leg. Just put that leg on the ground and stand up on it. Take that step right now. You are whole in Jesus name.

As I approach that food the first time, I took a spoon, I took the second spoon, I took about four spoons, I was okay and I couldn't take it anymore so I stopped at that point and slept. You may take a step today or two or three steps and still be feeling weak. Give praise to God

because before now, you couldn't even take any step at all. God has started a good work in you so you can relax and then you come up again to take more steps. From there, you will jump up and you will run again.

After taking those four spoons, I slept off and opened my eyes again. I saw the food beside me and by then, my appetite had improved. I ate more and slept again. In short, I was sleeping and waking up and all those times I kept confessing my healing and I want you to do the same thing. Someone listened to the audio version of the healing mantle. He said he did all that I did, including the same meal I ate, and he was healed. Glory to God.

Stop declaring that the sickness will kill you, stop declaring that you will remain on medication for life, stop declaring that you will always go back for your kidney check, don't say that you will go back to flush out your urine. No! Begin to say to yourself: I am whole, I am healed. Do you have a problem urinating, go to the toilet right now, go there right now! You are passing the urine out with comfort in Jesus name. Are you having incessant urinal condition? It is no more. You will be in charge of your bladder henceforth. You will urinate when you wish and retain it when you wish.

What is it that thing you cannot do before? Begin to do it right now and you will have your healing manifested physically in the name of Jesus.

That night, I was sleeping and waking. I was taking the food, and I was receiving strength. I was getting strengthened all the way as I was confessing my healing. So, never give up on your confession, don't give

up on your declaration as well. Keep saying I am healed and if the devil asks you, “how do you know that you are healed?” You should tell him that the word says: *“when I truly believe it, it will be mine. The word says, “He sent His word to me and healed me of (mention the illness). Jesus was on the cross to bear all my sicknesses most especially (mention the illness) and it was recorded by three witnesses in the Scriptures. And the Bible says that, in the presence of two or three shall the truth be established”.*

Declare this aloud: I have been healed of fibroid, I have been healed of typhoid, I have been healed of cancer, I have been healed of heart attack, I have been healed of blindness in the name of Jesus. As you do this, open your eyes, your eyes began to see well right now in Jesus name.

As I was on that couch, I woke up the following day and I felt a lot better. But to tell you the truth, I was not perfectly whole in the physical but I kept on speaking my healing. I said: “I have been healed”, “I am whole”. I kept saying that as I was walking around, taking the steps of faith. It was in the process that I realized that the last time I treated malaria typhoid, I was having recovery feelings for days and that was the same feeling I experienced. However, I didn’t allow any of those symptoms to tie me to the sickness. All I did was to keep confessing and acting in faith.

Don’t Over Do It

I want to emphasize that when you are recovering or taking a step of faith, do not stress yourself or overdo it. Throughout that period, I was taking those steps one at a time. I have watched people over-do these things and after it seem as though they were healed, broke down the following week or the following month. If your condition is a terminal or serious one, don’t throw the drugs away immediately. All you have to do

is to do something above what you couldn't do initially. For instance, if it is the case of ulcer that you believed you have been healed of, you should not attempt to fast for the whole day or go on a dry fast or marathon fast. You can fast, but apply wisdom. You can start by fasting till 9 am or 12 noon. You may even eat breakfast -because breakfast is needful- and skip lunch, then eat dinner. You can also eat breakfast and skip both lunch and dinner till late at night or the following day.

When I hear some testimonies, I shake my head in pity. That is why in few days, they are back on their backs.

Ever since that illness I was healed of, I have not fallen sick. Even if you are healed by faith and by the anointing, in some cases, your body has to heal up gradually.

Don't Lose Your Healing

Some people act funny when their loved ones are getting healed. They ask for prayers and after the brethren have prayed, they will return and say "he is now talking but still very weak, let's pray that God will heal him". That's a wrong thing to say and in most cases, that patient would lose his healing and even die. You should rather say, "he is now talking, glory to God" or "we trust God that he is strengthened and he is walking on his own in Jesus Name. Amen."

Symptoms is not Sickness

Do not allow symptoms to stand in your way. Keep on speaking about your healing. Command the devil to take off. Let's do this. Do you think

there is a spirit tormenting you? You don't even have to think about it. I already told you that all evil is from the devil. Can you command the spirit out of your body right now?

Say: you spirit of (mention the illness), I cast you out in Jesus Name. I do not consider these symptoms (press/touch the spot) again. This pain is not something I consider again. I do not consider this swollen part anymore. I do not consider the way I feel. I have been healed of malaria (mention the illness) in Jesus Name.

Don't Name It

Please, don't give name to symptoms. Don't claim a sickness by giving it a name. Don't name those symptoms you are feeling. The Bible says: "*the power of death and life lies in the tongue*".

I remember my fiancé (now wife) calling me from her campus at a time to say: "this morning, my mouth was very bitter". Everyone knows that when one's mouth is bitter, it is a symptom of malaria, but I told her it means that she should brush her mouth very well. She brushed her mouth as I said, and that was the end of the symptoms. But if she had said, "my mouth is bitter, this is malaria", it would have become malaria because it was the name Adam called each of the animals that they bear till date. It is the name you call those symptoms that it will answer in your life. **If you say it is nothing, it will become nothing. If you say it is something, it will become something.** Henceforth, do not say that is cancer, don't say that is ulcer.

It is not Ulcer

There was a time I was having pains in my tummy and I went to visit a friend, a very good friend of mine. On getting to his house, I told him I was having pains in my stomach. He said: "Ah! That is ulcer I used to feel the pain as well". I tell you the truth; I lie not, as he said those words and I also said "Hmmm, it is ulcer" the pain was increased. I said within me again "it is ulcer" and the pain increased. I said "it is ulcer" for the third time and the pain increased the third time. I just came back to my senses and I said "No, I must not give this symptom a name" so, I said, it is not ulcer and the pain decreased. I said it the second time: "it is not ulcer", the pain further decreased. I kept saying "it is not ulcer" till the pain vanished. It is what you say that becomes yours. *Say unto them, As truly as I live, saith the LORD, as ye have spoken in mine ears, so will I do to you* - Numbers 14:28.

My Deliverance from Boil

Boil has been like my twin since childhood. At the least, I had boil once in a month and it was always on my eyes or around my face. Others may appear in other part of my body but at least one will appear on my face in a month. After I learnt about divine healing and didn't fall sick anymore, boil continued to attacking me. One day, I had a very painful boil on my nose and while in a commercial vehicle, I began to pray to God to open my eyes to see and know what I ought to know to get my deliverance. About a week after I had said that prayer, I was in the church when I started feeling a kind of pain on my face. I touched it and exclaimed, "Oh! It is a boil". Then, I heard the voice of the Holy Spirit within me that said: "it is not a boil". I protested, not realizing where the voice was coming from: "it is a boil!" Then He repeated gently, "it is not boil". It was then that I knew it was the Holy Spirit that was correcting

me. Then, I shouted (a loud whisper so the next person wouldn't hear): "it is not boil, it is not boil", it is not boil". I continued saying it, then the devil interrupted with a question. He said: "then what is it"? I thought for a while and said, "it is...NOT boil". He asked again, "so, what is it if it is not a boil?" Then I said, "It is nothing."

Dear reader, that was the last time I had boil in any part of my body. An issue that had recurred for at least 20 times in a year for more than 15 years of my life stopped. It was not as if the symptoms stopped appearing but it met me prepared- **"it is NOT boil"**.

Do you have cancer? I want you to say, No, it is not cancer. Do you have pain? I want you to say No, it is not pain.

Say, I am whole. I am delivered. I have been healed. I am healthy. I don't have cancer (mention the illness). It is not malaria (mention the illness).

Don't Personalize Sickness

I have heard words like: my illnesses, my malaria, my menstrual pain, my drugs and so on. Some would say in their testimony: "God healed me of my disease" and they wonder why such testimonies don't last. Whatever you personalize cannot be taken from you because you said it is yours. You should rather say: that sickness, those drugs, that pain is gone.

Closing

Whatever it is that the doctor says you have, say I don't have it. Say it is not kidney problem. It is not heart failure. Not high blood pressure. I've seen God healed asthma several times. In fact that was the first healing

God used me for and ever since I have recorded numerous asthma healings. Is it appendicitis? Is it hernia? The Lord has done it before and He is doing it again in your life.

Command the devil off you. Say, every spirit of hernia (mention the illness), GET OUT! Every spirit of pain, GET OUT!!

Whatever it is, command them to get out. Command it out in Jesus name.

If you have done that, I congratulate you because your healing is now. You have rebuked the symptoms; you have denied the symptoms; you have spoken your healing. You have commanded the devil off.

As soon as they hear of me, they shall obey me: the strangers shall submit themselves unto me. The strangers shall fade away, and be afraid out of their close places - Psalms 18:44-45

Let Me Pray For You.

Are you saved? Have you given your life to Christ? If not, that is the first healing you require. Say, *LORD JESUS, you are my healer. I believe that you went to the cross to take away my sins and sicknesses and pains. I receive you as my LORD, Redeemer and Healer in Jesus Name. Amen.*

If you have said that, you are saved indeed. Be part of the SADOZ family for spiritual enrichment and follow up.

Impartation

Do you need healing in any part of your body? Stretch your hand towards this book. Let the healing virtue walk into you in the Name of Jesus. Be healed in Jesus Name. Begin to praise God from your heart. Sing to Him. Dance a victorious dance. Check your body. You have been healed.

Share your testimonies with us. Send it to sadozinternational@gmail.com

Testimony from the School of Healing, Koinonia Bible Institute, SADOZ

I've learnt a lot and I'm set to teach people around me, making them understand the reality of who we are in Christ Jesus. Also, after these wonderful teachings, I've been able to heal not less than seven people and they all testify to God's Glory. **Adebayo E.**

School of healing made me understand that God does not make us sick and lots more. I used CDA to acquire the benefit that I've been given for three years ago which was cancelled by the new government in my professional exam body (CIIN). I was told that the privilege had been cancelled. Immediately, I said that if was not possible for people, it must be possible for me. I went there and was turn down but few minutes after leaving this place, I was called back and was favoured. **Adewale B.**

Every single course in the SOH is power packed and very impactful; deep secrets were revealed to me. I used to be very fearful and cautious of sickness but the school made me see things in better light and now, I am very bold. I no longer fear sickness. I was healed of pains through the course of the study and I have also been able to heal others as we were taught and as part of our practical. **Edemba C.**

The Impartation session was always powerful which comes with encounters. Through the use of CDA I was cured of several symptoms of sickness. The compassion of healing the sick has become a burden. **Omolade O.**

My mentality about healing has changed and it helped me a lot. On 7th of this month, I led my cousin to Christ and healed her from a yearly sickness by the knowledge acquired here. **Idowu V.**

SOH has made me understand the authority given to the sons and daughters of God. I healed myself of headache and cold. **Isola L.**

Here, God's mind concerning our health and healing was demystified. No longer with those old and ugly beliefs one of which is God made me sick or that He is teaching me a lesson through sickness. I no longer live with the fear of sickness and its symptoms. I now know how to combat symptoms of sickness, and how to live a life forever void of sickness. I also learnt to minister to the sick by faith. I am surprised seeing myself looking for the sick to pray for. A boy I prayed for was healed after suffering from severe body pain and fever. **Omokan O.**

In my practical, the testimonies of people made me to know God is really at work. I give praise to God for making me pass through the school and making me one of His healing evangelists. **Aroge B.**

I was healed myself and healed others through the knowledge in SOH. **Akano E.**

There is healing and there is divine health, I began to live in divine health void of sickness from the teachings in this school. I also got imparted with the gifts of healing. I have started praying and healing people with immediate testimonies. **Adewale S.**

INDEX

Receiving Salvation

You were born a sinner condemned to hell but Jesus Christ died for your sins, gave you power to sin no more and to enjoy life here on earth and hereafter. All you need to do is to believe and accept His works by declaring Him as your LORD and Saviour. Do you believe this? Say: Lord Jesus Christ, I accept that you died and resurrected for the remission of my sins, I declare you as my LORD and Saviour. Amen.

Steps to Receive the Baptism of the Holy Ghost

1. You are not to ask or beg God for it, just expect it.
2. Believe He has given you and you will manifest it.
3. Don't hate tongues. That some people misuse it doesn't mean it has lost its power.
4. Don't pretend not to need it. Holy Ghost baptism is not just about tongues, it is about empowerment but tongues is the initial sign that you are baptized.
5. Clear your minds of doubts. God will give you but if you think that any sin can hinder you, ask for forgiveness now and now. (Isa 1:18 *Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool*). And forgive everyone in your heart.
6. As I pray for you, you will be baptized and you will speak in new tongues.

7. As I pray for you, the Holy Spirit will give you utterances and you will speak it out. Note that utterance means any sound produced with the mouth. That means the utterance could be one syllable or two. It could be one word or more. Understand that you are the one that will pronounce the utterance in anyway it comes to your mind as the Holy Spirit gives you utterance.
8. When I pray for you, the utterance would come. Don't think you are the one thinking it, it is not you. Don't think you will be unconscious or lost, it is not so. Don't be bothered if you don't know the meaning just speak it. And keep repeating whatever comes to your mind.
9. Daddy thank you because you are a faithful God, you always hear me and you are eager to give us more than we are eager to ask. I pray for you: receive the Holy Spirit right now in Jesus Name.
10. Open your mouth and began to speak those tongues.

Steps to Receive Healing

1. **1Peter 2:24 says:** *He personally bore our sins in His [own] body on the tree [as on an altar and offered Himself on it], that we might die (cease to exist) to sin and live to righteousness. **By His wounds you have been healed.***
2. You have been healed. You have been healed even before you had that illness, what I'm about to do by praying with you is to proclaim your healing.
3. As I do that, the pains and symptoms will be no more.
4. After I pray for you move that part of your body just as though it was healed already because it is an instant healing.

5. I proclaim you healed and whole right now in Jesus Name. The last time you had that illness is the last you will ever have in Jesus Name.
6. Check it out and share your testimonies.
